Antara Palwankar

Frontend & Web Development Intern

2025.antaray@isu.ac.in • +91 7741911000 • MN Society, New Panvel, Maharashtra, India • LinkedIn: antara-palwankar • GitHub: antara-palwankar • antarapalwankar.dev

PROFESSIONAL SUMMARY

Motivated B.Tech Computer Science Engineering student specializing in responsive frontend web development, semantic HTML5, CSS3, and modern JavaScript. Proven experience building accessible web components, mobile-first layouts, and interactive UI controls through academic projects and collaborative hackathons. Eager to contribute clean code, rapid adaptability, and creative design problem-solving to the Frontend Engineering team at PixelCraft Technologies.

TECHNICAL & PROFESSIONAL SKILLS

Frontend: HTML5 & Semantic Markup, CSS3 & Responsive Design, JavaScript (ES6+), Web Development Fundamentals, React.js Basics
Soft Skills: Problem Solving, Effective Teamwork & Communication
Tools & Platforms: Git & GitHub Version Control

PROFESSIONAL EXPERIENCE

Undergraduate Computer Science Apprentice
2025-08 – Present

ITM Skills University - Academic Projects & Cohort | Navi Mumbai, India
Tech: HTML5, CSS3, JavaScript, C++, Python, Git, GitHub

- Developing structured, modular web applications and user interfaces using HTML5, CSS3, and modern JavaScript.
- Collaborating in agile student study pods on Data Structures in C++ and Python automation exercises.
- Contributing to peer code reviews and participating in hands-on college hackathons focused on tech-for-good solutions.

Team Developer & Ideation Lead
2025-01 – 2025-05

Student Hackathon & Tech Guild | Maharashtra, India
Tech: JavaScript, HTML5, CSS3, Problem Solving, Teamwork

- Participated in intensive coding hackathons, leading brainstorms and designing clean UI component mockups.
- Collaborated with peers to implement responsive web layouts and integrate interactive JavaScript controls.
- Presented solution prototypes to technical mentors, emphasizing clean structure and user-friendly experience.

FEATURED PROJECTS & SYSTEMS

Responsive Web Development Showcase | Frontend Developer
(https://antara-palwankar.github.io/web-dev-practice)
Stack: HTML5, CSS3, JavaScript, Responsive Design
Key Impact: 100% mobile-responsive layout across all device viewports

- Practiced creating structured semantic layouts, modern hero sections, navigation bars, and interactive UI components.
- Implemented flexible CSS media queries and flexbox layouts to ensure pixel-perfect rendering across mobile and desktop devices.
- Focused on optimizing web page usability, loading performance, and intuitive user workflows.

Collaborative Hackathon Solution | Frontend & Team Collaborator
(https://github.com/antara-palwankar/hackathon-campus-solution)
Stack: HTML, CSS, JavaScript, Teamwork, Agile Presentation
Key Impact: Shortlisted among top participating freshman cohort teams

- Partnered with multidisciplinary teammates under tight deadlines to ideate and execute a functioning web demo.
- Authored frontend presentation slides, documentation, and user navigation flows.
- Conducted testing to ensure zero layout glitches on presentation devices.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science and Engineering
2025 – 2029

ITM Skills University | GPA/Grade: First Class
Coursework: Programming in C++, Web Development Fundamentals, Data Structures & Algorithms, Engineering Mathematics, Digital Logic & Computer Design

Higher Secondary Certificate (HSC) in Science Stream (PCM)
2024 – 2025

Maharashtra State Board (HSC) | GPA/Grade: 81% Score
Coursework: Physics, Chemistry, Mathematics, Computer Science Foundations, English

CERTIFICATIONS & CREDENTIALS

- **Responsive Web Design Certification** — freeCodeCamp / Academic Learning (2025-02, ID: FCC-RWD-2025-ANTARA)
- **Programming in C++ Fundamentals** — ITM Skills University Coursework (2025-01, ID: ITM-CPP-2025)

PUBLICATIONS & HONORS

- **"Interactive Learning Approaches in Early CS Web Development Curricula"** — Academic Cohort Journal / Student Research Symposium (2025-09)
- **Active Hackathon Participant & Peer Contributor:** Participated in technical coding activities that involved teamwork, structured problem solving, and building working software prototypes with peers.
- **HSC Distinction with 81% Board Score:** Achieved an 81% score in the Higher Secondary Certificate examination with strong academic performance in Science and Mathematics.
